

# ALUMINIUM HEAVY DUTY

## Over Toilet Frame

### FEATURES

- Designed for users preferring additional seating support whilst using a standard toilet
- Larger 28mm tubing makes it easier to grip handles when transferring
- Easily fits over most toilets
- Adjustable seat height and angle to suit the individual user and uneven floors
- Supplied with a clip on seat and removable splash guard for ease of cleaning
- Anti-slip rubber tips for stability
- Durable and long lasting anti corrosive heavy duty aluminium frame to support up to 200kg
- Independently tested to ISO/ASNZS 3973:2009
- Suitable for institutional and domestic use
- Australian designed
