

Orca Bath Lift

STABLE, ROBUST AND VERSATILE

The Orca Bath Lifter reduces strain on the user and prevents the risk of falls. The stable, robust frame with reinforced scissors and base plate ensure the user's absolute stability and safety. The Orca bath lift has a backrest recline of up to 40° and lowers down into the bath tub enhancing the user's bathing experience.

Yes, you can.®

Orca Bath Lift

- Maintenance free actuator, powerful and quiet
