

Liners & Accessories

JOBST® FarrowHybrid® Liners

FarrowHybrid® is a patented foot compression garment that provides compression in the foot up to the ankle.

- From the ankle and above, it serves as a liner
- Available in standard and wide sizes
- Great alternative to a footpiece
- Low profile, easily fits into a shoe
- Available in two compression levels

	Small	Medium	Large	XLarge
Male Shoe Size	3 - 6	7 - 9	10 - 12	13 - 15
Female Shoe Size	4 - 7	8 - 10	11 - 13	14 - 16
Note the maximum calf size for Hybrid Liners is 60cm				

Hybrid Liners

Measure the mid foot A circumference. Two mid foot sizes available: 20-27 cm (regular foot) and 28-35 cm (wide foot). Request the patient's shoe size (US Sizing).

JOBST® FarrowWrap® Liner sizing chart
