

PostureWedge™

ANGLED CUSHION

Correct pelvic tilt
reduces pressure to
lower back..

Wedge cushion encourages correct pelvic tilt to reduce pressure on the lumbar discs and thus minimise potential back problems.

- Promotes better posture — helps maintain your normal lumbar curve while sitting
- Relieves stress on back, increases user comfort for longer periods
- Available in soft Dura-Fab™ fabric, or easy-wipe bacteria inhibiting Steri-Plus™

**“Great for use in office & home
& also handy for outdoors”**

Compact and lightweight, Posture Wedge is a multi-purpose cushion designed for normal seating in your office or home, and is used with the lower end in front. In the car you simply turn it around and it is useful for positioning you firmly against the back of the seat and prevents you from sliding down.
